Krismar Exclusive | L cabin

FULLY CUSTOMIZABLE TO YOUR NEEDS AND WISHES

An exclusive Krismar is more than just a horse truck. It seamlessly combines the luxury of a home on wheels with the ultimate solution for transporting your horses. Every Krismar horse truck is custom-built to perfectly reflect your needs and preferences. From selecting the ideal chassis to creating the perfect layout. From choosing premium materials to achieving the finest finishing touches, every detail is crafted with care. Throughout the entire design and production process, our expert team is dedicated to guiding and assisting you every step of the way.

Lay-out

Tailored to your needs and wishes. How many horses do you wish to travel with?
The division between the horse area and the living space is decided by you. In this range we build up to 9 horses. Or do you prefer a spacious living area with all the luxury of home?

Living area

The options for your living space are endless, from layout to the smallest finishing details. Design your own living space with a perfect combination of high-end furnishings and maximum use of space. We gladly help you visualize your creation.

Horse section

The highest level of comfort is extended to the horse area, but not only are safety and well-being of your horses our top priority, we also offer you the option to fully personalize your own horse section. When we say your luxury home on wheels we mean the ultimate in excellence, also for your horses.

Krismar Exclusive | XL Cabin

FULLY CUSTOMIZABLE TO YOUR NEEDS AND WISHES

The Krismar Exclusive is designed to transport your horses in the best possible way while providing you with a luxurious home, no matter where your horses take you. The Exclusive series redefines luxury and functionality, allowing for complete customization to suit your unique preferences. It's the ultimate dream for the modern equestrian who values sophistication and individuality. The XL cabin features two swivel chairs that can be positioned in the driving direction or turned towards your living area for a cozy setting.

Lay-out

With the Krismar Exclusive, you enjoy complete flexibility in configuring the layout of your luxury horse truck. You have the freedom to determine the perfect balance between the living space and the horse area. Would you prefer a spacious area for your horses, or would you rather opt for an opulent living space where every detail is thoughtfully designed to exceed your highest expectations?

Living area

The possibilities for your living area are endless, from layout to the finest finishing touches. Design a personalized space that perfectly aligns with your needs, featuring a harmonious blend of high-quality materials and optimal use of the available space. Our team of experienced engineers is ready to assist you, providing expert guidance to help you visualize your exclusive Krismar horse truck.

Horse section

In this top-range, we build horse trucks with a capacity for up to nine horses. The highest level of comfort extends into the horse area. However, it’s not only the safety and well-being of your horses that matter; Krismar Horse Trucks also offers you the opportunity to fully customize the horse area to your specifications.

KRISMAR

Krismar Stallion

Krismar Stallion

The Krismar Stallion is developed in close collaboration with stud farms, incorporating the collective expertise and insights of industry professionals. Designed not only to transport your stallions with the utmost safety but also to transport horses without the need to tie them down. Available in configurations ranging from six to nine horses, this Krismar provides the flexibility to meet your specific needs.

Interior

Discover the versatility of the Krismar Stallion's interior. Available in both L and XL cabins, across the Exclusive and Professional ranges. You decide what matches your stable and lifestyle, we make it happen.

Horse section

The Krismar Stallion meets the highest standards of safety and comfort for transporting stallions. Additionally, this configuration allows for the transport of horses without the need to tie them. The Krismar Stallion is available for six to nine horses.

Krismar Motorhomes

EXCLUSIVE MOTORHOMES

The message is clear; our love for the equestrian sport goes deep. However, our customized designs have caught the attention from professional teams, athletes and hobbyists outside the equestrian world. Today we are happy and proud to use the knowledge we have gained in building our luxury horse trucks for the production of exclusive motorhomes.
